## AQUATONIC® COURSE

The Aquatonic® Course was invented in 1987 at the Thermes Marins de Saint-Malo– a renowned thalassotherapy centre offering seawater-based wellness treatments. This certified concept is available in the best spas in the world, including 4 in France and 5 internationally.

The only one of its kind in New Caledonia, this space features a 300 sqm pool for relaxation, well-being and fitness. There are two heated pools including activity stations and hydro-massage jets, all designed to deeply relax both body and mind.

Entry also includes access to the sauna and hammam.

- No booking is required for the Aquatonic® Course during opening hours.
- Aquafitness classes must be booked in advance. Late arrivals will not be permitted to join classes.
- The Aquatonic® Course is accessible to individuals aged 16 and over, provided they are accompanied by an adult (ID required; one adult may accompany up to 3 minors).
- The Aquatonic® Course is not recommended for pregnant women.
- Swimming caps must be worn. Reception will provide you with a swimming cap and a pool towel.
- Only swimsuits are permitted; non-compliant attire will not be accepted (refer to diagrams).
- Bermuda shorts, boardshorts, and lycra sportswear are not allowed in the Aquatonic® Course.
